

£	Portrait	Description	Landscape	Description	Still Life	Description	Animal	Description	Other	Description
£10 - £20 unframed		Quick sketch (A4-A3, 15 mins)		Quick sketch		This is actually a bit detailed for this pay grade but is pencil only and <<A3				A bad example - this actually took quite a lot of work.
£30-£60 unframed		Single long session (1 day), simple charcoal/pastel or watercolour (A3)		1-2 hr sketch - probably in fact falls between this pay grade and the one above.				semi-detailed charcoal sketch and is also A3		
£70-£100 unframed		Multiple day colour portrait								
£100-£500 unframed		Multiple-week detailed and / or large (>=A3) <u>non-oil</u> work OR Small (<<A3) and simple oil or acrylic work		Not a very good example... probably should be 1 lower pay-grade, really						
£150 - £1,000+ (likely higher than the above pay grade though)		Multiple-week detailed oil work								

General note - 'other' illustrations can take a bit more work than simply drawing from a photo/model/scene in front of me, so prices may be higher!
